

## Issue # 5: It's Showtime, Cherie!

We're looking forward to greeting you in "Nawlins" next week. This week's bulletin is short and sweet with a few tips and tricks to help make your visit hopefully just a little bit easier. (You can thank us later.)

These bulletins are aimed at helping you have a successful exhibiting experience in New Orleans. Did you miss an issue? Catch up in the bulletin archives [posted on our website](#).

## Top 5 Time-Savers for Exhibitors

1. **Download the AMCP 2024 mobile app** (available in the [Apple App Store](#) or [Google Play](#)) to view the full meeting agenda, education session info, exhibitor and sponsor lists, and Partnering appointments.
2. **Have the Wi-Fi info ready:** This is possibly our most asked question onsite. We've taken the opportunity to print it on the back of every badge, but it never hurts to have your devices ready to connect. Many thanks to our wi-fi sponsor, [Syndax Pharmaceuticals!](#)
  - Network Name/SSID: "AMCPannual2024"
  - Password: "Syndax24"
3. **Make your dining plans early.** New Orleans is as famous for its cuisine as its music. The city boasts more than 1,400 restaurants! With so many delicious options to choose from, we recommend [doing some research](#) and making a few reservations in advance.
4. **Reserve booths for [Nexus 2024 online now](#) and [AMCP 2025 by proxy](#).** As much as we'd love to see you in person at the Sales Office, exhibitors can reserve booths for both events without having to use their assigned appointment, especially if it's not convenient.
5. **Print your badge from your hotel lobby.** Keep reading to learn how to use CLEAR at our new satellite check-in kiosks.
